

BLOCK

Block has a functional and charming design that can work anywhere in your home. The table is easy to move around by use of the handles which are natural extensions of the table's legs. Designer Simon Legald was inspired by the classic trolley table which he has updated and made his own with simple, yet impactful means. Block's rounded shape, contrasting materials and the combination of craft and industry leaves the designer's signature on the design and gives the table its unique expression.

DESCRIPTION

Since 2012, the versatile side table on wheels, Block, has been headed at great speed towards the title of a modern design classic. Block's rounded shape, contrasting materials and the combination of craft and industry gives the table its unique expression. Block has a functional and charming design that can work anywhere in the interior.

DESIGN

Simon Legald, 2012

MATERIAL

Tabletop: Powder Coated Steel

Legs: Lacquered Ash

CONSTRUCTION

The Block table comes flat packed. The wheels are colored to match the trays and can be turned 360 degrees. A black nylon ring around the wheel adds grip and stability. Easy to move around using its handles. Including assembly manual. Load capacity: 10 kg pr. shelf.
