Sum Armchair Alu in Synergy

AN ELEGANT CALCULATION

Two, four, nine modules? Whatever the number, the sum is as follows: a well-proportioned sofa design that stands as the epitome of contemporary elegance. Sum is the name of our take on a light modular sofa, which has the same complete appearance whether it is set up in a two-seater version or as a several meter long lounge dream. The design is stringent and focused but invitingly open in character: elegant and resolute as a wingspread stretching out into the air, the sofa spreads out its armrests and invites you into its soft and homely space.
