Pad Chair High Black Steel in Main Line Flax

## MATERIALS, TACTILITY AND SHAPE

The Pad lounge series attains its special character from the combinations of materials, tactility and shape. Molded shells in oak veneer stand in contrast to a soft padded front while a metal frame adds strength and airiness. In full, a balanced design which captures the comfortable and the streamlined, the classic and the foresighted.
The shape is boxy, yet perfectly rounded; Organic texture and warmth flirt with cool shine in the meeting of wood, textile and metal. The front-
padded design is as comfortable as it is elegant, making Pad the perfect addition to the sophisticated lounge or lobby.
