

Tūī

Tūī

Tūī, named and designed after the native bird of Aotearoa/New Zealand. The Tūī bird features a necklace of interwoven feather rings that inspired the pendants woven canopy-like bell form.

Tūī comes in three sizes: small, medium, and large. The plywood finish can be either raw bamboo or painted, providing a variety of options.

Features

Shipped Kitset

Seed System kitset lightshades are on average 1/30th of the volume of the assembled light. This aims to help minimize the effects of shipping and to reduce the design's environmental footprint.

Warranty

This light is warranted for three years from date of purchase for failure of parts.

Care Instructions

All lights are intended for use in dry interior conditions only and can be cleaned with a soft cloth dampened slightly in warm water when the light is switched off. Do not use detergents.

EPD Certified

An EPD is a standardised and verified way of quantifying the environmental impacts of a product, based on a consistent set of rules that have been developed through a stakeholder consultation process.

*Black comes with black cordset and fasteners. All others come with white cordset and white fasteners. Custom cordset lengths available on request.

Finishes

We offer 12 stock finish options for Tūi. We use low VOC acrylic paint and it is most commonly used on the interior of the light. We can also produce lights in other finishes or colours by special order. All lights are made from sustainably grown bamboo plywood sourced from an FSC accredited factory.

Installation

Large

Fixings for cone gripper (fixing screws NOT SUPPLIED).

Note: Choose appropriate hardware to attach base plate (Fig.1) to ceiling substrate.

Step 1.

Follow the order of each component in diagram. Adjust the bulb / lamp to mid way in the pendant lightshade shown in Step 2 and then tighten.

Step 2.

Unscrew baseplate.

Step 3.

Use appropriate fixing screw to mount base plate (Fig.1).

Step 4.

Remove cable from cone. Screw cone back onto baseplate. Re-insert cable and level light. Once desired position is set, trim excess cable.
