Ark Armchair in Ultra Leather

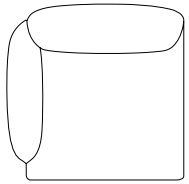
Ark Modular Sofa 3 Seater in Sahco Safire

CUSHIONED MODULES IN AN AIRY EXPRESSION

Gentle arches, plump cushions and an airy base are all dominant character traits of Normann Copenhagen's new modular sofa design, Ark. The design plays with curves and volume, giving Ark its recognizable features for an expression that is simultaneously minimalistic and full of depth.

Ark appears almost as a sofa built solely from cushions, alluding to its soft, welcoming expression. The design seems to be divided into smaller, pillowed sections. The seat, back and armrests all appear to be separate, neatly arranged pillows. This unique composition contributes to Ark's embracing expression, while the simplicity of the design radiates sophistication and elegance.

COLLECTION OVERVIEW



Ark Modular Sofa
100 Left Armrest
H: 77 x L: 90 x D: 89 x SH: 43 cm

PRODUCT FACTS

Description
Ark is built using a spring system and a combination of high-density foam, low-density foam and wadding, providing maximum comfort. The frame rests on slender legs made from powder-coated steel, elegantly lifting the sofa from the ground, making the design appear airy and light. The seat and frame for Ark Sofa is crafted from FSC™ certified (FSC-C163461) wood and wood from other controlled sources.

Designer / Year Of Design
Simon Legald / 2022

Material
Seat and frame: FSC™ certified (FSC-C163461) wood and wood from other controlled sources.
Construction: No-Sag springs, high-density foam, low-density foam, wadding and powder-coated steel frame and legs.

Construction
The seat and frame for Ark Sofa is crafted from FSC™ certified (FSC-C163461) wood and wood from other controlled sources. The seat is covered with high-density and low-density cut foam, wadding and No-Sag springs for exceptional comfort and support. The legs are made from powder-coated steel. Upholstery: See price groups.

Maintenance
Textile: Clean with textile or upholstery cleaner.
Leather: Clean with damp cloth. Use the foam from warm water with soap flakes. Make sure only to use ecological or perfume-free soap flakes. Frequent vacuuming with a soft fitting is recommended both for textile and leather to preserve color and appearance. Please be aware that sharp objects can leave marks.
