Kleo is the new rug, designed by Ludovica+Roberto Palomba, also suitable for outdoor use, available in three shapes, round, square and rectangular, and in three colours. The rugs adapt perfectly to every living space and, thanks to their resistance to footfall, are particularly well suited to use outdoors, in the garden, on the terrace and by the swimming pool. Kleo is hand-made on a loom, with no backing. Easy to wash, breathable and waterproof, they allow water to drain off, making them suitable for use in humid environments. The rug can be matched with a cachepot in the same material, available in two sizes.
