Ipoli 08

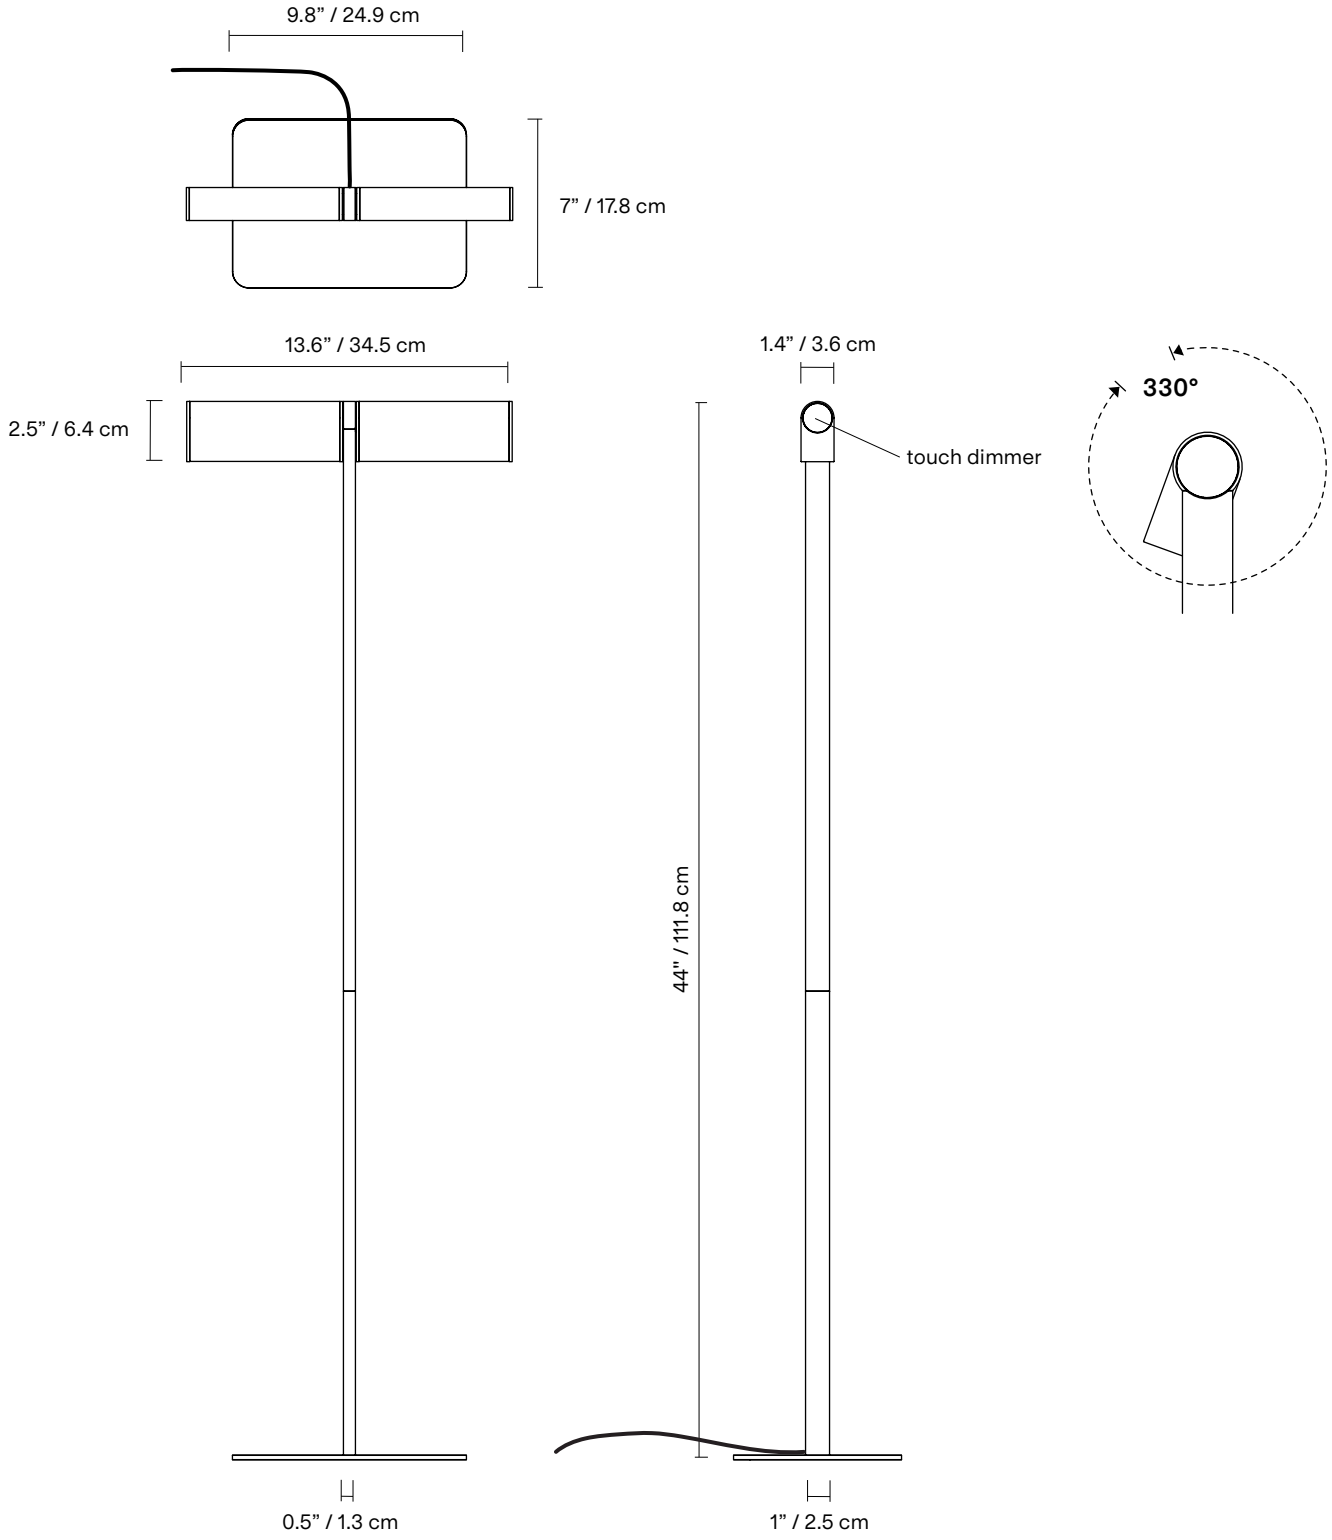

Ipoli is a decorative multifunctional collection centered on the movement of playful swiveling heads atop a slender base. The collection draws inspiration from the design tradition of utilitarian, streamlined task lamps and office lighting, while enfolding Lambert & Fils' unique twist, both poetic and sturdy. Whether employed as a task light, ambient accent, or focal point, each piece will delight any space.

TYPE	Floor
CONSTRUCTION	Tumbled or powder coated aluminum body, head and cover plate Frosted opal acrylic lens Vinyl cord
