Charlie

by John Gooding

The Charlie collection of chairs and stools is a testament to the designer's commitment to creating a range of furniture that is both functional and aesthetically pleasing. The collection is made up of a variety of pieces, including a dining chair, a side chair, and a stool. Each piece is designed to be a versatile addition to any home, and the collection is a testament to the designer's commitment to creating a range of furniture that is both functional and aesthetically pleasing.

Designed in 1888, the Charlie collection is a testament to the designer's commitment to creating a range of furniture that is both functional and aesthetically pleasing. The collection is made up of a variety of pieces, including a dining chair, a side chair, and a stool. Each piece is designed to be a versatile addition to any home, and the collection is a testament to the designer's commitment to creating a range of furniture that is both functional and aesthetically pleasing.
