Charlie

by Yabu Pushelberg

The Charlie collection embodies a balanced, minimal approach to design, offering both distinction and personality for those who appreciate simplicity with character. With its light, sculptural forms, the collection exudes friendliness, timelessness, and approachability. A striking blend of Asian cultural influences and modern global appeal, it reflects the shared strength of Stellar Works and Yabu Pushelberg, who together strive for precision in sculptural craftsmanship.

Comprising chair, bench, and bar stool, the collection seamlessly fits into various spaces, from hotels to homes and restaurants, offering the flexibility to unify different design concepts, from traditional to contemporary.

The character of Charlie lies in its sculpted transitions, crafted from wood, upholstered surfaces, and slender frames that feature both curved and straight profiles. Whether in an intimate lounge or a lively bar, the Charlie collection is a confident, understated choice for those seeking design that speaks softly yet remains memorable.

Crawford

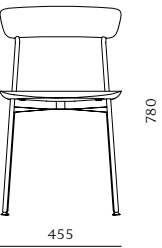

by Tom Fereday

The Crawford collection is comprised of a sofa, bed, tables and a dining chair. Following Stellar Works’ ethos, the collection was developed on the principle of honest design that celebrates Asian sensibilities, whilst reinterpreting them for an international audience. The collection also represents a fusion of cultures that celebrates the growing design movement in the Asia Pacific region, as championed by Lane Crawford. Tom Fereday’s designs utilise natural materials, tactile finishes and subtle, yet elegant details.
