Qi

by Neri&Hu

Named after the traditional Chinese concept of a "small sleep" at noon, the Qi Sofa draws inspiration from the Luohan Chuang - a dual - purpose bench for sitting and sleeping. Blending modern versatility with the minimal style of Jean-Michel Frank, it combines a wooden structural base with a padded platform and cushions for comfort in both seated and reclined positions.

The collection comprises one, two, and three-seater sofas in wood with textile upholstery, suitable for diverse living spaces. Qi seamlessly infuses a subtle Asian aesthetic into contemporary contexts.

QT/Chillax

by Nic Graham

Initially developed for Australia's pioneering QT Hotels brand, the QT collection is Nic Graham's modern-day tribute to the mid-century movement. Drawing out retro details with a light touch, while allowing natural materials and traditional craftsmanship to take centre stage, the range communicates quality without compromising its casual appeal.

The QT collection and its slender, contoured counterpart Chillax make warm and welcoming additions to any contemporary interior, embodying the laidback, relaxed spirit of modern Australian life, with a wink to the pragmatism of mid-century Scandinavian design.
